

Attention Bedford Parents!

*Did you know there is a Parent Ambassador at your school
who is there for you and your family?*

What are Parent Ambassadors?

- The Bedford Parent Ambassadors are a team of parents, representing the primary, intermediate, middle, and high schools in our district, as well as extracurricular programs.
- Ambassadors are a resource for parents, providing information and support. They also serve as a link among parents, schools and district, and represent the parent perspective.

How can they support you?

The ambassadors can help you find answers to questions such as ...

- Are you new to your school or to the Bedford District and would appreciate more information?
- Would you like to know more about the curriculum or other school programs?
- Is your child transitioning to middle or high school, and you'd like to know what to expect?
- Do you have questions about changes in your school or in the district?
- Would you like to get involved in your child's school, but don't know how?

Contact your Parent Ambassador with questions, ideas or suggestions!

- Below are a few representatives by school/program. A complete list is on the back.
